Question 14

Question 14 Answer

Every US citizen has the right to own firearms. The constitution uses the phrase “well regulated”.

I believe this means the only legitimate type of regulation states and the Federal government can pass related to the use of firearms is how much training owners should do. Like all owners must spend 10 hours on target practice with their firearms per year. Similar to continuing education requirements for doctors, lawyers, accountants etc.

Name (As it will appear on the ballot)

Joshua S. sorto
