Question 14 Answer

To me, the Second Amendment is more than the right to own a firearm, it is a fundamental constitutional guarantee that protects the God given right of every law-abiding citizen to defend themselves, their family, and their property.
As a legislator, I will defend the Second Amendment, uphold due process, and oppose laws that erode the constitutional rights of law-abiding Floridians. I believe we can promote public safety while remaining faithful to the Constitution and the freedoms it guarantees.
