Question 10 Answer

I carried a weapon in defense of this nation for 33 years and 4 months. The Second Amendment is not an abstraction to me. It is a right I swore an oath to defend, and I will defend it in Congress with the same commitment I brought to every mission in uniform. The men and women I served alongside understood that the right to keep and bear arms is what separates free citizens from subjects. It is not a privilege granted by the government. It is a natural right protected from the government. Any legislation that infringes on that right is a violation of the oath every member of Congress takes on their first day. I will never cast a vote that disarms a law-abiding American.
